

Dear residents and representatives

We are pleased to see continuing low numbers of COVID 19 across the state allowing us to remain free of entry restrictions at Boneham for the time being. We are all hopeful that we can make it through Christmas this year COVID free so that we can enjoy welcoming family and friends once more to enjoy the season with us.

We are thrilled that our new residents bus has finally arrived. It is currently being sign written and will very soon be another regular sight on the roads of Millicent, Beachport, Southend and Tantanoola. We thank our community sponsors for their amazing support of the bus project which funded almost 100% of the bus cost. We also recognise our staff and residents fundraising efforts over the last year. Keep an eye out for our bus across the region and give us a wave when you see it.

Our housekeeping team are starting to plan for Christmas lunch and in the next week or two we will advise families of the plans for those wishing to have Christmas lunch within Boneham with a resident. Please note due to space constraints numbers will be limited.

On a more serious note, we have had some recent incidents of speeding in our car park which is extremely dangerous with vision, hearing and mobility impaired people coming and going. Could we please remind everyone coming to Boneham that they should only drive at walking pace within our car park, park only in visitor designated parking bays and give way to pedestrians at all times.

Finally, with a taste of warmer weather finally here, remember that our Coffee Shop is open Monday to Friday from 9am to 3pm and also has a good quality coffee machine installed for after-hours refreshments. Please come and join us for a light meal, a great coffee and a warm and sunny spot in the heart of our wonderful facility.

Kind Regards

Michael Filsell
